

## 892-GCP

Concealed Piping Elevated Atmospheric Vacuum Breaker

### PRODUCT TYPE

Concealed piping elevated atmospheric vacuum breaker

### FEATURES & SPECIFICATIONS

- Polished chrome plated finish
- Solid brass body construction
- 1/2" N.P.T. female inlet and outlet
- 3/8" offset adjustable supply arms with wall flange

### PERFORMANCE SPECIFICATION

- Rated Operating Pressure: 20-125 PSI
- Rated Operating Temperature: 40-200° F

### WARRANTY

- Lifetime Limited Faucet Warranty
- 5-Year Limited Cartridge Warranty
- 1-Year Limited Finish Warranty

### COMPLIANT TO

- ASME A112.18.1M
- NSF 61, Sec. 9
- BS&A-NYC 726-54-65M
- CSA B125
- CSA B64.1.1
- ASSE 1001

# 892-GCP

Concealed Piping Elevated Atmospheric Vacuum Breaker

## ARCHITECT/ENGINEER SPECIFICATION

Chicago Faucets No. 892-GCP, polished chrome plated solid brass construction. 3/8" offset adjustable inlet supply arms with wall flanges. 1/2" female N.P.T. inlet and outlet. This product is tested and certified to ASME A112.18.1 and CSA B125 industry standards.

## OPERATION AND MAINTENANCE

Installation should be in accordance with local plumbing codes. Flush all pipes thoroughly before installation. After installation, remove spout outlet or flow control and flush faucet thoroughly to clear any debris. Care should be taken when cleaning this product. Do not use abrasive cleaners, chemicals or solvents as they can result in surface damage. Use mild soap and warm water for cleaning and protecting the life of Chicago Faucet products. For specific operation and maintenance refer to the installation instructions and repair parts documents that are located at [www.chicagofaucets.com](http://www.chicagofaucets.com).

Chicago Faucets, member of the Geberit Group, is the leading brand of commercial faucets and fittings in the United States, offering a complete range of products for schools, laboratories, hospitals, office buildings, food service, airports and sport facilities. Call 1.800.TECTRUE or 1.847.803.5000 Option 1 for installation or other technical assistance.
